The **20 Under 40 Vendor Superstars** program similarly honors those who are leading the way in developing the constantly evolving technology and firm processes that allow practitioners to be more productive, efficient and profitable, as they build practices that will endure and thrive.

“We are fortunate to be surrounded by so many young professionals who are sharing their ideas, skills, and enthusiasm with the goal of making the accounting profession a better place. Change is occurring rapidly in our profession and this year’s award winners are embracing and welcoming the changes,” said Editor-in-Chief Gail Perry, CPA. “They are strong, dedicated, spirited leaders and we are proud to recognize these professionals as the 2018 ‘40 Under 40 in the Accounting Profession’ and the ‘20 Under 40 Vendor Superstars.’ “

This year’s 40 Under 40 Honorees will meet in Indianapolis October 16-18 for round table discussions exploring emerging trends and issues that will affect the profession in the coming years.

Click on the below honorees to learn more about them, their careers, their passions, and the traits that have that have led us to call them the future of the profession.
