

# WHO'S WHO

AMONG THOSE SERVING THE TAX & ACCOUNTING PROFESSION

## FreshBooks is...

FreshBooks is the planet's leader in online billing and bookkeeping, with over 4.5 million users worldwide! We're dedicated to helping accountants and bookkeepers help their small business clients succeed. FreshBooks is the fastest way for your small business customers to track time, organize expenses, and invoice their clients – while helping you spend less time on data entry, and more time advising clients! Even better? You can pull your client's FreshBooks data right into your existing accounting system – it doesn't get easier than that!

### THE IDEAL CLIENT

From graphic designers and marketing consultants, to lawyers, freelancers, and yes, even dog walkers, you know the client. They love what they do, and are excited to do what they love every day. Skilled professionals in all but one area – their books. And that's where you come in. As their trusted advisor, their accountant, they look to you to help them turn that shoebox of papers or disastrous accounting program file into data they can use to run their business. Super easy to use, with mobile options and an online solution – FreshBooks gives you and your clients 24/7, anytime/anywhere access to the books and info that keep your business running!

program to help you help your clients succeed! With a team dedicated to working with accountants, our accountant support line at 1-877-262-5122 by phone, and accountants@freshbooks.com, are specialists who understand your questions, with the skills and expertise to get your clients up and running in no time.

Even better than that, we know you'd never want to recommend something to your clients that you haven't tried yourself, and with that in mind, we offer our Beancounters a full, free FreshBooks account – exploring clients, staff, creating invoices and even use our time tracker for your own firm!

To take your firm to the next level, we've launched the FreshBooks Certified Beancounter program in 2012! Show off your FreshBooks expertise, gain CPE credits, and be

introduced to over 4.5 million FreshBooks users worldwide on our Find an Accountant FreshMap!
