(Calif.) — Best Software has acquired Dallas-based Federal Liaison Services, Inc. (FLS), a single source provider of employer payroll and tax filing solutions.

FLS provides software and technology solutions for the compliance, reporting and payment functions not addressed by most payroll and HR solutions or services. These products can be provided as a stand-alone software sale or as an outsourced, hosted solution. Prior to the acquisition, Best Software was a reseller of FLS products.

As part of the acquisition, Blake Eaton, formerly of FLS, will join the Best Software team as General Manager of the business unit. Mr. Eaton will continue to manage the Dallas-based FLS team, reporting to Rick Valentine, Vice President and General Manager, Best Software Payroll Services.

The company says the combined solution will enable Best Software to compete strongly with offerings from ADP, Ceridian
