- **Cabinet NG** ([www.CabinetNG.com](http://www.CabinetNG.com)) and **EVault** ([www.EVault.com](http://www.EVault.com)), both digital document storage and management companies, have partnered to extend the security and availability of Cabinet NG's automated electronic document management solution with a data protection solution designed for SMB customers with limited IT infrastructure.
- **eTEK International** ([www.eTEK.net](http://www.eTEK.net)) announced the re-release of the *eTEK XPress* accounting system, formerly sold as a standalone, single-user version of *eTEK Accounting*. *eTEK XPress* will now be sold exclusively as a hosted, full-feature, web-based accounting system for any small to midsize (SMB) business organization.
- **Wolters Kluwer Financial Services** ([www.Gainskeeper.com](http://www.Gainskeeper.com)) has named Stevie D. Conlon as tax director for its GainsKeeper product family, which provides automated tax-based financial tools and services to financial and tax professionals and individual investors.
- **Sage Software** ([www.sagesoftware.com](http://www.sagesoftware.com)) Sage Software has opened registration for Insights 2007, its annual company-wide business partner conference, which will be held May 14-17 at the Gaylord Palms Resort & Convention Center in Orlando, Fla. For additional information about the conference, visit [www.sagesoftwareinsights.com](http://www.sagesoftwareinsights.com). The company also released the latest version of Sage Fundraising 100, a donor relationship management solution for medium to large nonprofit organizations.
- **Tenrox** ([www.Tenrox.com](http://www.Tenrox.com)) announced the availability of Release 9.1, the latest version of the company's Project Workforce Management Solution. Release 9.1 includes several of new features including a new Project Planning Module and integration with Microsoft Dynamics CRM 3.0.
