advantages of integrated Electronic Data Interchange

Oct. 06, 2009

Livingston, N.J. – MAPADOC EDI by SWK Technologies, Inc., an integrated Electronic Data Interchange (EDI) software solution built specifically for Sage MAS 90, 200 and 500, is a Gold Sponsor of Arxis Connections 2009 customer conference,

Oct. 15, 2009 at the Glendale Hilton in Glendale, Calif.

Arxis Technology, Inc., is a MAPADOC Select Partner that sells and supports this powerful integrated solution. Select partners help their customers understand the advantages and efficiencies of MAPADOC EDI. For example, MAPADOC dramatically

cuts data entry time and costs by eliminating duplicate entries, improves communication

with trading partners, and reduces mapping time by more than 75 percent, allowing end-users to quickly and easily create their own maps for integrated documents.

“We enjoy a very close relationship with Bob Gaby and his team at Arxis and are proud to be a Gold Sponsor of Arxis Connections 2009,” says Jeff Roth, CEO of SWK Technologies. “Our partnership supports the reseller relationship and the value we provide to our mutual customers.”

“Our annual customer conference is a great opportunity for SWK Technologies to talk about EDI and its MAPADOC solution,” says Bob Gaby, CPA.CITP, a principal with Arxis Technology. “SWK’s gold sponsorship at Arxis Connections 2009 illustrates SWK’s commitment to our customer base.”

“Over the last several months, we’ve worked hard to improve awareness
