control of your business -- and profit from all your hard work.

Feb. 17, 2010

Built from the ground up, Prophet 21, a leading enterprise software solution for distributors, combines the familiarity of Windows with the power of SQL Server to provide organizations with a highly customizable solution that helps distributors increase sales, improve customer service, and reduce operating costs. Features include order management, inventory management, warehouse management, purchasing, financial management, customer relationship management, business reporting and analysis, wireless integration, and e-business.

CPA Practice Advisor is registered with the National Association of State Boards of Accountancy
