The screenshot shows a web application interface with a navigation bar at the top containing links for Home, Company Profile, Document Tracking, Inventory, and Reporting. The main content area is titled 'Home' and features two tables. The first table, 'Requests To Trade With Me', lists trading partners with columns for Trading Partner, Date, and Respond to. The second table, 'Outstanding Requests', lists trading partners with columns for Trading Partner, Date, and Status. Two callout boxes are present: 'New Trading Partners' which lists potential partners like Lane Supply and Test Allied Machine and Engineering, and 'New Manufacturer Lines' which states there are currently no new manufacturer lines available for item rationalization.

Trading Partner	Date	Respond to
test	Mar-06-2007	Set up in System
Shaw R. Shield	Nov-02-2004	Modified
Midwest Industrial Omaha	Jul-25-2003	Set up in System

Zeller	Jan-09-2006	No Response

Trading Partner Connect, an Internet trading network for distributors, expedites sourcing, expands geographic reach, and streamlines transactions between distributors and manufacturers. Distributors can access millions of items, enabling them to compete on a larger scale and improve customer service. Additional benefits include eliminated EDI Value Added Network (VAN) charges and reduced dead and surplus inventory.

CPA Practice Advisor is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.
