ACOM's EDI/XML software products are the “next step” in business to business eCommerce solutions, breaking away from the expensive and rigid EDI solutions of the past.

ACOM's **EZConnect Software** is a universal EDI/XML translator and integration engine that has all the components you need to implement an eCommerce program in your company.

- Integrates directly with your ERP Software, Warehouse Management System, CRM Software, or any other back-end software or database.
- Translates data into nearly any format such as EDI X12, or various XML repositories.
- Communication options include Internet EDI (AS2), Web Forms, FTP/s, HTTP/s for linking direct to trading partners or through a third party VAN.

CPA Practice Advisor is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.
