ACOM's EZPayManager check-processing software provides you with a solution for designing, editing and printing laser checks and distributing electronic payments. It is a modular suite of payment-automation solutions that make it easy to transition to an electronic payment environment.

- No custom programming is required, implementations are quick and easy
- Vendor outreach promoting epayment acceptance is fully automated
- Vendor sign-up is completed in a self-service secure web portal
- Modular architecture enables you to automate the entire AP process, or address just one phase at a time

ACOM's automated electronic payment environment eliminates the high physical costs of paper check processing, reduces labor, alleviates check fraud and provides positive cash management.

CPA Practice Advisor is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.
