TPS Time & Billing was designed specifically to meet the demands of small to mid-sized accounting firms since 1998. TPS offers all of the sophisticated features and functions normally found only in high-end expensive programs at a fraction of the cost and in an easy to set up and use environment. TPS offers a full time, WIP, AR, & Due Date with MS Word for invoicing templates and MS Outlook full integration for client / contact functionality. New features include budgeting, full integration with QuickBooks and Customizable dashboard to help partners manage their practice.
