Timesheets

GHG Corporation's electronic TimeSheet Software (eTSS) is a web-based employee management tool that automates time tracking and approval processes. The results are decreased administrative and accounting costs, and increased productivity. It is an ideal workforce management and timekeeping solution for organizational **tracking, managing, and accounting for employee** time by project, department, customer or other user-defined category.

Payroll

CPA Practice Advisor is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.
