If you have any questions or need help you can email us

## Here's How It Works:

You outsource the labor to us, pick the level of service you want, we bill you the hourly rate that corresponds to the service level you selected, and then you bill your client whatever your office rate is. We deal with you, not your client. Your clients remain your clients!

CPA Practice Advisor is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.
