ORLANDO, Florida— Now, on-the-go tax and accounting professionals will be able to easily access CCH's authoritative research information with the new CCH Mobile application. The new mobile application is an extension of CCH's IntelliConnect tax research platform and makes CCH's premiere content and tools available via Blackberry and iPhone.

Over 1,000 professionals attending the 2010 CCH User Conference from November 7-10 in Grande Lakes, Orlando, will preview CCH Mobile. The new app is the latest delivery from CCH that ensures that however and wherever professionals choose to work, CCH resources will be with them.

“We're providing an advantage for any professional who needs to conduct business beyond the boundaries of their office. And while that's just about everyone, only CCH IntelliConnect customers will have the ability to conduct research on CCH's premier content from the palm of their hand – anytime, anywhere,” said CCH President and CEO, Mike Sabbatis.

With CCH Mobile, tax and accounting professionals can conveniently access answers and tools on the spot – when meeting in person with clients at remote locations, or whenever they need quality content fast.

A limited-time free version of CCH Mobile is available starting today. All current IntelliConnect subscribers can download the debut of CCH Mobile at no charge and all CCH User Conference attendees also have access to a preview version of this portable tax research tool.

After downloading the CCH Mobile app to a smart phone, users of the complimentary introductory release will have access to:
