CINCINNATI, Ohio – March 1, 2011 – Cincinnati-based [Paycor Payroll Services](#) has won the People's Choice Stevie Award for Favorite Customer Service in the Financial Services category in the fifth annual [Stevie Awards for Sales & Customer Service](#). This award was determined by Paycor clients, CPAs and the general public through popular vote.

“Receiving a People's Choice Stevie Award is humbling,” says Brent Sisson, Paycor Senior Vice President of Client Services. “Every day we strive to make a meaningful impact on our clients' lives, whether it's through a helpful product enhancement or simply asking about their day. Of course, none of this would be possible without our dedicated client service team members who go above and beyond each day to serve their clients. This award belongs to them.”

The awards are presented by the Stevie Awards, which organizes several of the world's leading business awards shows including the prestigious American Business Awards. More than 177,000 votes were cast worldwide by the general public for their favorite customer service providers in eight categories.

“We offer a special congratulations to this year's People's Choice Stevie Awards for Favorite Customer Service honorees, because they got the seal of approval from the most important judges of all, their customers,” said Michael Gallagher, president of the Stevie Awards.
