ALPHARETTA, GA, March 10, 2011- Xcentric, LLC (www.xcentric.com) was recently ranked among the world's top 100 managed services providers (MSP) in the fourth-annual MSPmentor 100 (www.mspmentor.net/top-100-msps) survey. This award recognizes Xcentric's continued growth as a leading MSP to the accounting profession.

The MSPmentor 100 survey offers an annual look at the top companies that drive the MSP industry. The survey uses index measurements to calculate each participant's rank based on the following managed services-specific metrics: managed services revenue, managed services growth, percentage revenue growth, revenue per employee, number of devices managed and other data points comparing one fiscal year to the next.

"We're very pleased to be recognized as one of the top 100 Managed Services Providers," explains Christian James, Xcentric's Chief Operating Officer. "I hope this, along with our growth over the years, is a testament to the value we bring to our clients. This type of recognition definitely helps fuel our desire to continue to grow and further enhance our ability to serve our clients well."

About Xcentric:

Based in Alpharetta, GA, Xcentric provides peace of mind to CPA firms nationwide through highly leveraged network technology solutions. Xcentric's complete network hosting model, the Xcentric Cloud Network, allows CPA firms to rid themselves of IT management headaches related to server upgrades, administration, IT staffing, and application updates. Xcentric provides CPA-specific technology guidance, infrastructure deployment, and accounting application focused network support. Founded in 2002, Xcentric focuses on accounting firms and currently serves over 250 firms across the nation.
