For the first time, Sage is offering unprecedented interaction between partners, customers, product experts, Sage executives, exhibitors, and industry thought leaders—all under one roof, at one time. Conference attendees will be privy to insightful dialogue and interactive discussion on current industry trends and key issues facing the accounting profession as we look towards the future. Kicking off the conference is “Sensational Saturday” with two dynamic, information-packed workshops and a ground breaking editorial panel discussion with all the key players present. “Super Sunday” is no less meaningful, with leading industry speakers on a variety of topics that are vitally important to you. With a focus on collaboration and community learning, participants will experience hands-on educational opportunities, face-to-face connections with peers and sought-after experts, and must-see product developments. The conference will also offer the opportunity to earn up to 23 CPE credits.

I'll be participating in the workshop “Tomorrow is Today: The Accounting Firm of 2011”, along with Ronald Baker, VeraSage, and Ed Kiess, Sage on Saturday, as well taking part in the Editorial Panel Discussion. On Monday, I'll be presenting “It's Your Move”. Stop by and say hello. I encourage you to investigate all that the Sage Summit 2011 has to offer you and your firm. Get inspired; Get Recharged, as you bring back innovative ideas and solutions to launch the rebirth of your firm. It promises to be a mind expanding event. For more information about the Summit, visit <http://www.sagesummit.com>. Early bird pricing extends through May 31, 2011.
