with an inexpensive entry point but do not need general ledger (GL) integration.

Strengths

- Includes support for multiple payroll frequencies, job costing & direct deposit.
- Call Calendar helps staff manage multiple priorities & shows upcoming client payroll runs.
- Time data importing supported from numerous applications, but exporting GL data to accounting software not supported.
- EFTPS & electronic tax filing available where supported by taxing authorities.

Potential Limitations

- Product supports state payroll taxes in only 38 states.
- Users cannot export GL data to any accounting software applications.

SUMMARY & PRICING

Insta-Pay is used by hundreds of accounting professionals, representing thousands of clients, and is designed for practices managing multiple employer clients. Current annual pricing for the software starts at \$179 for a two-client payroll package and tops out at \$895 for the unlimited package, which includes all available modules, functions and related support.
