The 1099 Fire and W-2 Fire systems offer compliance tools for all year-end wage and information returns, with both print-only and e-filing options. It is best-suited to direct use by business entities, or for firms with varied client reporting needs. And although it is used by some high-volume entities, it is a better fit for small and mid-sized volumes. Pricing for the W-2 Fire with e-filing is \$229, and 1099 Fire with e-filing is also \$229. Print-only versions are \$59. The service bureau option, through which the vendor manages all print, file and mail functions, costs \$349 for up to 5,000 records.
