Summary & Pricing

eTEK Fundamentals is currently priced at \$3,995 for up to three users, with \$1,050 in training and support costs. eTEK also offers a complete system that includes all modules for around \$15,000. The SaaS version is available for \$283 per user per month, which drops significantly after 24 months. Other pricing options are available, as well. eTEK Fundamentals offers smaller government entities, churches and nonprofit organizations an excellent product that is fully scalable, and contains solid fund accounting features in a completely integrated package. By offering the two delivery models, this product is even more attractive to the small organization.
