Improve Efficiencies Within your Firm

A case study with LarsenAllen, LLP

Oct. 22, 2011

The National Association of Water Companies (NAWC) serves our nation's private water organizations. Until recently, the organization struggled with a tedious bill-payment process in which they relied on their accounting firm, LarsonAllen, to pay all their bills. After discovering Bill.com, payroll, bill pay and financial duties have been much easier and more streamlined. Bill.com even integrates with Intacct, the web-based accounting system, which LarsonAllen uses to keep track of NAWC's finances and enables NAWC to pay their own bills via check, ePayment/ACH, or PayPal.
