The screenshot displays the E-File Magic 5498 software interface. On the left is a navigation menu with three main sections: General (Registration Details, Support, Payments, Multi-User Setup), System (Companies/Filers, Import Recipients, Manage Recipients, Validate Recipients, Optional: TIN Matching, Print Recipients, Generate Reports), and Transmit (Generate Order Receipts, Transmit To E-File Magic). The main window is titled 'Manage Recipient Information' and shows the status as 'Normal Recipient'. At the top, there are search fields for Form ID, Tax ID, Name, and Address, along with a 'GO' button. Below the search fields is a grid of form types (1099-G, 1099-H, 1099-INT, 1099-K, 1099-LTC, 1099-MISC, 1099-OID, 1099-PATR, 1099-Q, 1099-R, 1097-BTC, 1098, 1098-C, 1098-E, 1098-T, 1099-A, 1099-B, 1099-C, 1099-CAP, 1099-DIV, 1099-S, 1099-SA, 3921, 3922, 5498, 5498-ESA, 5498-SA, W-2G). The form itself is for the year 2011 and is labeled 'Form 5498'. It contains various fields for trustee/issuer information, participant information, and contribution details. The participant's name is 'Joe Tester' and the address is '1215 N Main St, Portland, OR 97020'. The form also includes fields for contributions, rollovers, and distributions. At the bottom right, there are 'Cancel' and 'Save' buttons.

Using the E-File Magic 5498 software you can print, mail, and e-File your 5498 forms with ease. You pay only for e-File Services(required), and optionally print and mail services. This makes your year end reporting requirements even simpler than ever. Just import or manually enter your data into our software program, validate, and transmit your data for processing. We do the rest and notify you of our progress every step of the way!
