AccuFund recently helped a Nevada fire district overhaul its payroll process using the AccuFund Accounting Suite.

The Central Lyon County Fire Protection District has a unique work shift system which complicates processing and increases the risk for error. However, since implementing the automatic system, the full-service fire district witnessed several benefits, including a decrease in processing hours, the elimination of time cards and the ability to quickly identify and correct errors.

“By implementing AccuFund, we went from using paper time cards to inputting information to a database and generating a payroll report automatically,” stated John Gillenwater, chief of Central Lyon County Fire Protection District. “AccuFund’s

reports can show us where any errors are so we can conduct quality assurance. We
