the [Wisconsin Cheese Makers Association](#).

The interactive discussion will include industry experts and will focus on the growing issues around waste management in the cheese industry, creative financing, and engineering solutions to deal with this common challenge. The ICTE is the world's largest gathering devoted solely to the multi-billion dollar market for cheese and related dairy products.

“Our involvement with the ICTE builds on our continued focus and expertise within the food and beverage industry.” said [Brad DeNoyer](#), Partner with the Food and Beverage practice. “In fact, we were recently awarded a grant to create a strategic plan to support an increase in the development and utilization of waste from agriculture and cheese production as feedstock for alternative energy sources.”

Baker Tilly is one of the key sponsors of the event. Other sponsors include [Cargill](#), [Diversey](#), [CHR Hansen](#), [Millerbernd Process Systems](#), [DuPont's Danisco brand](#) and the [Innovation Center for U.S. Dairy](#).
