FUND E-Z Development Corp., a provider of nonprofit accounting, fundraising and HIPAA billing software solutions, has partnered with **F9, independent Infor business unit**, to incorporate F9 Professional Version 5 with FUND E-Z Nonprofit Accounting Software. The integration will link the FUND E-Z General Ledger data to Microsoft Excel.

“We are very pleased to welcome FUND E-Z, a leading provider of accounting software for nonprofit organizations as an F9 Partner,” states Wissam Barakat, Vice President, Sales, F9. “F9 offers tremendous options for financial analysis, forecasting, budgeting and planning to maximize FUND E-Z’s Nonprofit Accounting Solutions. Excel users already know the value of spreadsheets in financial reporting. F9 leverages that value by delivering FUND E-Z GL data directly to Microsoft Excel ensuring the users have access to information that is timely, accurate and complete.”

F9 uses a combination of cell formulas in Excel that will allow GL data in FUND E-Z to be formatted into any financial report, eliminating the need for manual entry. After designing reports, users can use the design to create monthly reports with automatic recalculations. Nonprofits will also have the ability to create graphs and tables using PivotTables or PivotChart views.

“F9 takes financial reporting for our nonprofit clients to the next level. Our clients
