CCH Canadian Limited, a Wolters Kluwer business, provider of tax and accounting information, software and services, recently announced a partnership with XCM Solutions, LLC, provider of web-based workflow solutions. Through the partnership, CCH will distribute XCM software in Canada under the name CCH Workflow – powered by XCM.

CCH Workflow – powered by XCM provides real-time access to client information, helping professionals manage their firm's various processes and offices more efficiently. The new solution automates the firm's workflow processes, saving an average of 90 minutes per person per day, according to preliminary results from XCM Solutions' Annual Client Survey.

"This strategic partnership represents a significant opportunity for CCH to further improve the profitability of our customers," said Doug Finley, President of CCH Canadian. "Partnering with XCM allows us to immediately provide our Canadian clients with state of the art workflow automation that will make them more efficient and productive."
