CCH, a Wolters Kluwer business, has released a number of software enhancements today in efforts to help tax and accounting professionals streamline their workflow processes and increase profitability and productivity.

“By listening to our customers and understanding their business needs, we’re able to deliver the focused product enhancements they want to boost efficiency and profitability,” said Sam High, CCH Vice President & General Manager of Accounting, Audit & Workflow. “These new integration and navigation solution upgrades really put the industry’s most advanced workflow tools in the hands of tax, accounting and audit professionals.”

CCH released updates to CCH *KnowledgeConnect*, ProSystem *fx* Engagement, ProSystem *fx* Knowledge Coach and CCH *Accounting Research Manager*.

Enhancements for each product include:

- CCH *KnowledgeConnect* – Integration with SharePoint; formal Q&A Manager with discussion threads; Best Practices creation; Expert Locator; Communities of Practice; business rules

- ProSystem *fx* Engagement – Binder portfolio sharing capability; integration with
