The FreshBooks mobile app is designed to support seamless collaboration among teams and can be accessed anywhere, anytime. It can be used by small business owners in various professions, such as law, marketing, IT and accounting. The FreshBooks iPhone app is available as a free download from the [Apple App Store](#).

“We know that people go into business to pursue their passion and serve their customers, not to learn accounting,” added McDerment. “That’s the difference with FreshBooks cloud accounting: it’s simple, accessible everywhere, and saves small businesses time on their billing.”
