Taija Sparkman • Dec. 06, 2012

eFileCabinet, Inc. recently exceeded several revenue and customer growth milestones, reaching more than 30,000 users and over 5,000 customers. The company also reported a revenue surplus of 40 percent. eFileCabinet provides on-premise and cloud-based document management software products and services to businesses.

As eFileCabinet continues to grow, the company remains focused on helping small businesses become more efficient and profitable by saving time and increasing profits using eFileCabinet's document management software. The company has branched out from the accounting, tax and finance professions and now serves professionals in the education, human resources, medical, legal, banking, insurance and funeral services professions, as well.

CPA Practice Advisor is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.
