Dec. 27, 2012

2012 was a year of uncertainty, particularly when it comes to taxation and business growth.

The most popular (or at least “most read”) news stories and feature articles for 2012 reflect that somewhat, although, as expected, reviews of technologies for accounting firms were among the top, as well.

The following news articles were the most popular in 2012:

- [Review of professional tax preparation systems](#) (traditional compliance). This review appeared online and ran in our May 2012 print issue.
- [Review of online small business accounting programs](#). This review appeared online and in our May 2012 print issue.

- [2012 Most Powerful Women in Accounting](#), This special award feature appeared
