CCH, a Wolters Kluwer business, recently released the redesigned series of CCH *Smart Charts*, including *State Tax Smart Charts*, *Worldwide Tax Rates and Answers* and *Federal Expiring Provisions Smart Charts*. CCH provides tax, accounting and audit information, software and services to tax, accounting and business professionals.

The charts, available through CCH's *IntelliConnect* platform have been enhanced and optimized for viewing on iOS and Android mobile devices. The new design features new navigation, display and functionality. Users can quickly access CCH charts from the top navigation bar, as well as hover over items to view descriptions. Content that's saved on a computer is easily accessible from a tablet or smartphone and items

change color when selected. Other features include a reset button on every screen
