CCH, a Wolters Kluwer business recently updated its *Tax News Highlights* app, making it even easier to get the latest tax news anywhere, anytime and share it with others. CCH provides tax, accounting and audit information, software and services to tax and accounting professionals.

“The new *CCH Tax News Highlights* app delivers updated federal and state tax developments in a user-friendly interface – saving valuable time when you need to know what’s happening now,” said Cindy Kaplan, CCH Product Marketing Manager. “Not only do you get up-to-the-minute details, but the app makes it easy to instantly share important news with others.”

The app’s new features include enhanced navigation and a share function to easily send stories via email, Facebook, LinkedIn and Twitter. The visuals and color schemes have been enhanced for a better display on smartphones and tablets and users can move between screens even faster now. In addition, users can also access *CCH Tax Briefings* right from the app.

The new app, powered by *IntelliConnect*, is available as a free download for iPhone, iPad and Android devices.
