use cloud-based programs for tax preparation and workflow.

Apr. 16, 2013

On Thursday, Apr. 25 at 2:00 p.m. EST, *CPA Practice Advisor* will host a CPE-eligible webcast on how to use cloud-based programs for tax preparation and workflow to boost an accounting and tax firm's productivity.

CPA Practice Advisor is accredited by the [National Association of State Boards of Accountancy](#) to offer educational webcasts for CPE credit. Participants of the live webcast on April 25 will be eligible for one hour of CPE. Professionals can [register for the free event online](#).

The webcast is titled: **Grow and More Effectively Manage Your Firm via Tax Preparation and Workflow in the Cloud.**

The interactive session, led by Executive Editor Darren Root, CPA.CITP, CGMA, will focus on cloud technologies that can lead to more efficient tax preparation, compliance and workflow processes.

It will include discussion of portals, scanning, data import, tax preparation, data and document management, electronic filing, workflow processes, and the use of mobile technologies.

Attendees should [register for the event](#) soon. CPE certificates can be printed following the live webcast using the interactive tools on their browser screen.

This webcast is sponsored by [CCH, a Wolters Kluwer business](#).
