**BigTime Software, Inc.** recently announced it has joined the Business Resource Network of the BDO Seidman Alliance, a nationwide association of independently owned local and regional accounting, consulting and service firms. BigTime Software develops integrated practice management tools for professional services firms.

“BigTime is a great tool out of the box. But in the hands of someone who really knows how to put it to work, it becomes a true enterprise-class tool,” said Brian Saunders, CEO and founder of BigTime. “We looked for a long time for an association with the singular combination of reach and experience offered by the BDO Seidman Alliance, so we are excited about what this relationship means to BigTime customers.”

Through the alliance, BigTime will provide time and billing solutions to BDO Seidman Alliance member firms to help clients streamline their business processes while increasing efficiencies and expanding business opportunities. BigTime's features include seamless integration with a firm's unique workflow, billing and tasking and time tracking in an online format from any desktop or mobile device. Expenses can be managed from one place, whether they are created in BigTime or another accounting system. The solution also offers more than 20 printed invoice styles and eight customizable billing formats.

“BigTime's coming on board will augment our ability to provide members with the tools they need to help their clients more easily track, manage and invoice their time,” said Tom Takasaki, director of the Business Resource Network at the BDO

Seidman Alliance. “We strive to establish relationships with those product and
