*CPA Practice Advisor* is proud to announce the availability of our new mobile app for iOS devices. The *CPA Practice Advisor* app offers instant access to the reviews, columns and features in the print and online editions of *CPA Practice Advisor*, as well as other content and tools.

The app, which currently features the latest May issue, gives readers direct access to daily news and articles focused on the topics and issues affecting tax and accounting firms and their clients. The app also features streaming videos, podcasts and white papers. In addition, users can participate in free webcasts for CPE credit and browse the online buyers guide.

Features of the new app include customizable searches, a digital library of the most recent and past issues of *CPA Practice Advisor* and the ability to share articles, videos and other content via email or social media. Users will also have 24/7 access to daily news covering the most important and relevant tax and accounting topics.

The *CPA Practice Advisor app* is available for free in the Apple app store.
