The Innovation Awards were first presented in 2004, and serve to honor new or recently enhanced technologies that benefit tax and accounting professionals and their clients through improved workflow, increased accessibility, enhanced collaboration or other means.

Award winners are selected by *CPA Practice Advisor's* editorial board and awards committee, which include thought leaders and professionals from across the country. The publication, along with its digital content and interactive media, is the leading independent source of practice management resources and technology information for tax and accounting professionals in public practice.
