CCH, a Wolters Kluwer business recently updated its CCH *IntelliConnect* platform and *CCH Tax Calendar*, providing users with faster answers and easier navigation. CCH provides tax, accounting and audit information, software and services.

“Vivid displays, a cleaner look and easier navigation are providing *CCH Tax Calendar* and *IntelliConnect* users a competitive advantage, especially when trying to find information quickly, efficiently and making changes while on-the-go,” said Tina Rajski, CCH Product Manager.

New *IntelliConnect* enhancements include Note & Highlights and Shared Research Folders. When used together, firms can store documents for a client with notes added in a research folder. Firms can also share those documents with other team members who may serve specific clients as well as create folders based on a topic that can be shared with firm staff.

Other recent *IntelliConnect* enhancements include relate buttons added to Treasury Regulations providing one-click navigation from regulations to related Code, explanations and annotations; IRC History Relate buttons available in CCH code-arranged content, including the *Standard Federal Tax Reporter*, *Federal Estate and Gift Tax Reporter* and *Federal Excise Tax Reporter*; case treatment codes added; new federal income tax credit smart chart; new unrelated business income tax smart chart; new CCH state tax smart chart topics and an enhanced IRS manual.

“Along with the emailing multiple documents feature launched last year, these new *IntelliConnect* enhancements focus on a practitioner’s entire research workflow

including review, consultation, collaboration and sharing expertise – making it
