Bloomberg Tax

Built on the foundation of the Tax Management Portfolios™, Bloomberg Tax is a comprehensive tax research solution designed by tax practitioners for tax practitioners. Plan and comply with confidence with quick and easy access to expert-written perspectives, in-depth news, extensive primary source material and a full range of practitioner-developed tools only available from Bloomberg BNA.

Bloomberg Tax is a fully integrated platform covering U.S. federal, state and international tax topics. With Bloomberg Tax, you can quickly navigate from the Code to analysis to related practice tools and back again. In addition to the Tax Management Portfolios, content includes the Daily Tax Report, current and archived versions of the Internal Revenue Code, agency documents, a BEPS tracker, state and international developments trackers, international tax treaties, and more. Practice tools including chart builders to enable comparisons across jurisdictions, practice guides and checklists, elections and compliance statements, IRS response letters and transactional diagrams.
