The sixth annual survey, sponsored by the Principal Financial Group, features relevant questions on key market topics. Non-profit organizations that participate will receive a free copy of the survey report and an invitation to a [webinar](#) that provides an in-depth discussion of the results.

“This is the only survey that provides this kind of in-depth and essential information on how 403(b) sponsors are managing their retirement programs,” said [Bob Benish](#) , executive director of PSCA. “Based on the high attendance at our webinar last year, we know 403(b) sponsors are eager to compare their plans with those across the nation.
