travel is on the rise. A majority of respondents across all company sizes (58%), spent more on travel in 2013 compared with 2012. In 2014, nearly half (49%) of all respondents say they will spend slightly more on T&E, while 30% say they will spend the same.

Mar. 13, 2014

Cloud-based travel and expense management software provider [Certify](#) announced the results of its Business Travel Expense Trends report, conducted in February 2014. The survey, which polled hundreds of finance executives and business travelers at companies of all sizes in North America, indicates that business travel is on the rise. A majority of respondents across all company sizes (58%), spent more on travel in 2013 compared with 2012. In 2014, nearly half (49%) of all respondents say they will spend slightly more on T&E, while 30% say they will spend the same.
