With over four million users worldwide, Expensify is the #1 tool for expense report management, receipt tracking, and business travel. Snap a photo of your receipt using SmartScan and Expensify takes care of the rest! Designed for small businesses, accountants, and individuals who are sick of wasting time with spreadsheets, Expensify streamlines business travel and tax compliance with expense reports that don't suck!

Named one of the hottest startups by Forbes, voted a Top 10 Most Innovative Company by Fast Company, and endorsed by the AICPA and CPA.com, Expensify has been widely acknowledged as the best tool for business travelers. If you're a small business or solopreneur looking for simple receipt capture, Expensify's patented SmartScan OCR technology eliminates manual data entry and makes it easy to keep track of receipts on-the-go. If you're looking for more complex functionality for a larger company, Expensify takes care of all of your expense management needs: expense reports, multi-level approval workflows, automatic credit card reconciliation, company card management, next-day rapid reimbursement, integrations with accounting and HR softwares, and so much more.

Features:

- Automatically record, report, and submit expenses with realtime expense reports

- Easy receipt capture
