savvy, it also requires strong cash management capabilities. However, even strategic business owners can see some of the benefits disappear if they lose funds to a bank account that charges costly fees for various services that could be free elsewhere.

Isaac M. O'Bannon • May. 05, 2014

Managing and growing a successful small business requires more than just business savvy, it also requires strong cash management capabilities. However, even strategic business owners can see some of the benefits disappear if they lose funds to a bank account that charges costly fees for various services that could be free elsewhere.

Financial website WalletHub recently compared more than 200 business bank accounts from financial institutions across the country to find not only the best

overall business bank accounts, but also those with the highest interest rates, the
