agreement where VSCPA members will have unlimited access to up-to-date sales and use tax rules, rates, forms, and related reference resources, to better assist their clients, and/or their employers, in complying with a rapidly changing and complex regulatory environment.

Isaac M. O'Bannon • Jun. 27, 2014

[Avalara](#) and the [Virginia Society of Certified Public Accountants](#) have reached an agreement where VSCPA members will have unlimited access to up-to-date sales and use tax rules, rates, forms, and related reference resources, to better assist their clients, and/or their employers, in complying with a rapidly changing and complex regulatory environment.

Avalara is a developer of automated, online sales tax and compliance systems for businesses. The VSCPA has more than 11,000 members, of which more than 9,200 are individually licensed CPAs who provide financial and related services in the state of

Virginia. Under the agreement, VSCPA member accounting firms will also be able to

Avalara's world class expertise in this difficult area."

"Our new partnership with Virginia is the result of our ongoing efforts to provide industry-leading sales and use tax knowledge and resources to CPAs across the country," said Ray Bigley, VP of Business Development at Avalara. "We are working hard to better educate and support accounting professionals in all aspects of sales and use tax compliance. Our new alliance with the Virginia Society is another step in achieving that objective."
