Accountants (NSA) Scholarship Foundation. Together, they will receive \$34,450 in scholarship awards.

Isaac M. O'Bannon • Jul. 11, 2014

The National Society of Accountants' Scholarship Foundation has announced the 33 recipients of its 2014 scholarships. In total, they will receive \$34,450 in scholarship awards.

The Foundation has provided more than \$1 million since 1969 to deserving undergraduate and graduate students who are committed to pursuing a career in accounting, helping to develop more qualified young accountants.

The scholarships range from \$500 – \$2,000. Recipients were selected on the basis of an overall outstanding academic record, demonstrated leadership and participation in school and community activities, honors, work experience, stated goals and aspirations, and financial need.

“This support is critical to help ensure that we encourage young people to become accountants and provide a steady stream of new talent into the profession,” explains NSA Scholarship Foundation President Matthew C. Lewis, EA, ATA, Delta, CO.

The 2014 scholarship recipients are listed below with their universities, the NSA Affiliated Organizations or the named scholarships that provided funding, and the amount of each scholarship:
