or project

- Excellent payroll module, with certified payroll and the ability to access payroll information via mobile devices
- Wide range of industry-specific modules
- New job option allows for extensive information about the job
- Latest version has Detailed by Job Cost Code report that provides additional graph capabilities
- DataView custom report writer offers option to transmit timesheets with portable devices

## Potential Limitations:

- No client communication templates for proactively managing client relationship
- Lack of dedicated dispatch module
- No integrations with remote access applications other than viewing payroll

## Executive Summary & Pricing

A-Systems JobView is available in three separate editions, with the Small Builder Advantage (SBA) Edition retailing for \$79.95. Larger companies will want to look at the Preferred Edition, which costs \$4,995. Scalable and easy to use, JobView is an excellent choice for small to mid-sized construction companies and related industries.

## Product Delivery Methods:

☒ On-Premises

☐ SaaS

☐ Hosted by Vendor
