3.5 – Integration & Import/Export

4.25 – Help/Support

Best Fit:

With good basic functionality at a value price point, this may be a good fit for accounting professionals doing client bookkeeping and write-up.

Strengths:

- Value-priced application w/basic GL, AR and AP support for up to 10 users with an unlimited number of companies.
- MICR check printing supported
- Mac version available

Potential Limitations:

- No integrations with remote access applications or e-commerce solutions
- Limitations may hamper some accountants
- User interface feels dated
