If you have any questions or need help you can email us

- Comprehensive selection of estimating modules
- Strong industry-specific functionality fits a variety of construction-related niches
- Solid reporting
- Document Management module aids in records retention and workflow
- Remote Time Entry for field personnel

Potential Limitations

- No SaaS offering
- Product installation is complex
- Cost could be prohibitive to smaller operations

Executive Summary & Pricing

Sage Timberline Office starts at around \$10,000. Although the price tag is on the high end, the investment is worth it for larger construction/contractor offices that process a large number of estimates and needs solid equipment management capability.
