suite of document management, workflow and document storage products for accounting professionals.

Oct. 02, 2014

Doc.It has been selected to receive a K2 Enterprises Quality Award for its full suite of document management, workflow and document storage products for accounting professionals.

K2e is a provider of continuing professional education for accounting and financial professionals, and works with state CPA societies and other professional organizations to offer hundreds of classes and seminars across the country.

Each year, the leadership team at K2e identifies select companies and presents its Quality Award. Doc.It was recognized for its feature-rich solution that has proven year-over-year to provide the productivity gains CPA firms are seeking in document management, said Val D. Steed, CPA.CITP, MA, the CEO of K2 Enterprises. "Quality has always been at the forefront of their solution and the past year is another example of a great step forward for Doc.It."

Doc.It has been recognized in the annual K2 Enterprises Quality Awards for three consecutive years. In 2013, Doc.It was presented with the New Module award for Doc.It Suite 4, which provides accounting professionals with streamlined workflow

processes and an expansive set of document management features including a sleek
