New IRS Reporting Requirements

The employee benefits provider and insurance advisory consultancy [CBIZ](#) has released CBIZ ACA CheckPoint, a platform offering the advanced availability of ACA reporting and compliance tools and expertise. The system was developed in conjunction with SyncStream Solutions, LLC.

The partnership with SyncStream Solutions will provide CBIZ clients with access to ACA reporting and compliance knowledge, ACA collateral and education materials and the new CBIZ-branded web-based technology tool, CBIZ ACA CheckPoint, an integrated management tool designed to provide continually updated ACA monitoring, reporting and documentation.

Intended to minimize companies' compliance risk, CBIZ ACA CheckPoint allows CBIZ clients to analyze, manage, track and report employee data in accordance with the Affordable Care Act's (ACA) Employer Shared Responsibility Requirements. The

tool allows CBIZ Employee Benefits and CBIZ Payroll clients to count full-time and
