some of these students to achieve their goals.”

Applicants for awards are judged on the basis of scholastic achievement, demonstrated leadership ability, and financial need. They must have a “B” (3.0 on a 4.0 scale) or better grade point average.

Scholarships typically range from \$500 – \$2,000 and 30 or more scholarships are awarded each year. In 2014, the Foundation awarded \$34,450 to 33 deserving candidates.

Scholarship applications are due March 31, 2015. To apply, visit <https://aim.applyists.net/NSA> and use the program key “NSA.” To review application guidelines and for additional information visit <http://www.nsacct.org/about/nsa-scholarship-foundation>.

For students nearing graduation or new to the accounting profession, the Accreditation Council for Accountancy and Taxation (ACAT), which is affiliated with NSA, offers an Accredited Business Accountant® (ABA) credential. No experience is required to take the ACAT Comprehensive Examination that leads to the ABA credential. In addition to passing the exam, two years of college-level accounting and one year of accounting experience are required to earn the credential. More information on the scholarships is available at [www.acatcredentials.org](http://www.acatcredentials.org).
