Increase the profitability of your tax preparation work. Using CCH ProSystem fx Scan, any firm employee can easily prepare and scan client source documents. In no time at all, the scanned source documents and 1040 workpapers will be automatically, sorted and converted into one comprehensive PDF — organized, bookmarked and ready to seamlessly flow into a 1040 tax return in CCH® ProSystem *fx*® Tax. Eliminate the headaches and hassles of paper files. CCH ProSystem *fx* Scan automates the time-consuming tasks of gathering, extracting, organizing and bookmarking tax data from scanned source documents, making it easy to export and populate that data into CCH ProSystem *fx* Tax. Your tax preparation process will be easier, more efficient and headache-free. Benefit from a faster, easier and more productive 1040 process. [Learn more today!](#)
